Re: *Servellon Giron v. Noem, et al.*, Civil No. 25-6301-JXN

Dear Judge Neals:

This Office represents Respondents in the above-referenced matter in which Petitioner has filed a petition for habeas corpus. I respectfully write to ask the Court for one additional week to respond to the petition.

Petitioner filed the instant habeas petition on May 30, 2025. ECF No. 1. On June 6, 2025, the Court entered an order requiring Respondents to answer the petition by July 7, 2025. ECF No. 4. Respondents have been working diligently to file a timely answer. But the critical documents regarding Petitioner's detainment are in the custody of different field offices—Petitioner was originally detained in Baltimore, Maryland, then transferred to a detention center in Newark, New Jersey, until a few weeks ago, when he was transferred to a detention center in Louisiana. Accordingly, despite the government's efforts to locate the material documents and information, this Office is still working to locate some information that is critical to Respondents' answer.

Accordingly, we respectfully request that the Court allow Respondents an additional week, or until July 14, 2025, to respond to the petition. Petitioner does not consent to this request.

Thank you for your consideration of this request.

So ORDERED on 7/7/2025:

Respectfully submitted,

  
JULIEN XAVIER NEALS  
United States District Judge
